Since it is only a train ride for us, can we have two folks attend?

All,

I asked Officer Amen to put his request on Department letterhead, and below is the request. Trying to get four of us together at the same time is difficult, but I believe this is a great opportunity for us to be perceived as the 'good guys' in helping to prevent diversion. Please let me know good dates in February and I'll coordinate. Thanks.

Mohamed,

Sorry I didn't get back to you today. Been in meetings all day.

Hate to be a pain, but in trying to get the other three wholesalers together for a meeting with you, I was hoping you could do me a favor. Could you put something on Department letterhead stating your request for a meeting with the wholesalers, who we would be meeting with, what you would like us to be prepared to discuss, etc. I'll get that to the other wholesalers, find out some good times for everyone, and go from there. Thanks.
